

Prahran Dental Rescue Day Report
Friday August 5th

Principal Dentist and Vic Chairperson for NDF Helen Voronina of Compelling Smiles Prahran volunteered the services of herself and 2 support staff.

5 patients were seen with each patient having a 45 minute appointment. . Treatment performed was examinations, scale and cleans, restorations, radiographs and impression for a splint.

Further treatment is required still on some patients with the hope they may attend another dental rescue day in the near future for treatment to be completed before their treatment needs become more serious.

The volunteering staff enjoyed their day. Additionally case managers and patients were very thankful and appreciated the support of the NDF.
